A RUSSIAN SPY? NO! BUT HE HELD UP 2 SEA RAIDERS

Lawyer-Witness Tells How
Ships Got Indemnity Guar-
antee From Hamburg Line.

At the trial of the Hamburg-American Line will be responsible for all damage and demurrage during repairs.

"What was your idea in having Mr. Hachmeister sign this agreement?" asked Mr. Rand.

"I wanted to protect my owners," said the lawyer witness. "I didn't propose that these vessels should sail under false manifests."

"I move the witness's argument for the United States be stricken out," said Mr. Rand, and the Court smilingly agreed.

"Well, after you got the indemnity papers, you advised your clients not to allow the ships to sail. Is that the idea?"

"That was my advice."

"Were you employed by the Russian Government?"

"I was not," was the answer, after objection had been overruled.

Capt. Emil Olsen of the United said that the ship was out only two days when Supercargo Kiske came to him on the bridge and said to him:

"You know we're not going to Cadiz, where we cleared for?"

"I said 'We cleared for Cadiz and we're going to Cadiz.' He said 'I'll give you \$500 to go to the West Indies and deliver this cargo to German warships.' 'Not for a million,' I said. Two days later he offered me \$10,000 and again I said 'not for a million.'"

"And you went to Cadiz?" Mr. Wood asked.

"I did and sold the cargo there."

ALDERMEN BLOCK SALARY RAISES BY ESTIMATE BOARD

\$90,400 Cut From Budget
Figures and New Jobs
Will Never Be Held.

The Board of Aldermen sought revenge on the Board of Estimate today for salary slashing in the past by cutting \$90,400 from the 1916 budget as recently prepared by the latter body. This means that \$25,000 is to be cut from the Estimate Board's pet contingency fund of \$75,000, that \$36,940 worth of salary increases planned for are to be nullified and that \$29,060 worth of new positions cannot be provided for.

Of course, Mayor Mitchell will have the right under the charter to override the Board of Aldermen's reverse action by vetoing to-day's action. But a majority vote of the Aldermen will knock out the veto. This means that to-day's big cuts—surprisingly large in view of the quiet manner in which the Aldermen went about it—are going to stand. There will be many disappointments among favored ones on the Board of Estimate's big payroll who were down for substantial increases.

In the Commissioner of Accounts' office alone there is a reduction of \$6,350. This means a reduction of \$6,049 in new positions alone. The remaining \$280 is for salary increases. In the Department of Correction, of which Commissioner Katherine B. Davis is the head, \$3,180 worth of new positions are cut out. In the Street Cleaning Department \$6,000 worth of new jobs go up in smoke and \$180 in increases are to be lampooned.

There are \$6,800 in brand new jobs

How to Make the Quickest, Simplest Cough Remedy.

Much Better Than the Ready-Made Kind, and You Save 50%.

This home-made cough syrup is now used in more homes than any other cough remedy. Its promptness, ease and certainty in conquering distressing coughs, chest and throat colds is really remarkable. You can actually feel it take hold. A day's use will usually overcome the ordinary cough—relieves even whooping cough quickly. Splendid, too, for bronchitis, spasmodic croup, bronchial asthma and winter coughs.

Get from any druggist 2½ ounces of Pinex (50 cents worth), pour it in a pint bottle and fill the bottle with plain granulated sugar syrup. This gives you a pint of only 54 cents—a full pint of better cough syrup than you could buy for \$2.50. Takes but a few minutes to prepare. Full directions with Pinex. Tastes good and never spoils.

To avoid disappointment be sure and ask your druggist for "Pinex," and don't accept anything else. A guarantee of absolute satisfaction or money promptly refunded goes with this preparation. The Pinex Co., Ft. Wayne, Ind.—Advt.

CLOCK RUNS 15 MONTHS.
 (From the Salem (A.S.) Journal.)
 J. B. Evans, clerk of the Selma City Court, is very proud of a clock which he has just secured from a Chicago concern. It runs by a tiny spring, winds itself up every minute and a half and runs continuously by electric batteries for eighteen months without stopping. Mr. Evans says it is the only clock of its kind he has ever seen. The batteries wear out in a year and a half, else it would run longer.

WHAT JONES SAYS ABOUT THIS PRESCRIPTION.

Fredonia, N. Y.—"I can speak highly of Dr. Pierce's Favorite Prescription. It was used for over two years in my family. The medicine was thoroughly tested and found very satisfactory. Nothing else did as much good. It is a most valuable medicine for the purpose advertised."—LUCIUS JONES, Jr., 35 Eagle Street, Fredonia, N. Y.

Thousands upon thousands of mothers, wives and daughters in every section of this great country, who have regained health, vigor and cheerful disposition after months of misery and even despair, are the ones who truly appreciate the marvelous restorative power of Dr. Pierce's Favorite Prescription.

Every woman who has reason to believe that backache, headache, unnatural pains, low spirits, sleepless nights, irregularities or a catarrhal condition is caused by a derangement of the womanly functions, owes it to herself and dear ones to speedily overcome the trouble before a general breakdown causes permanent prostration.

Dr. Pierce's Favorite Prescription is a remedy that any ailing woman can safely take, because it is prepared from roots and is not a secret remedy, for its ingredients are printed on wrapper. Get it to-day, either in liquid or tablet form, or write Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., for a free book on women's diseases.

Constipation causes and seriously aggravates many diseases. It is thoroughly cured by Dr. Pierce's Pellets. One a laxative; two or three a cathartic.—Advt.
